On 17.6.1938 the late Supernumerary Constable No. A/5608 MENACHEM GIZRI Police Vote, privately employed to watch the Jewish National Fund Lands Nahalal Area, left for duty in company with No. A/5607 S/Const. ARIEH EIGENFELD.

They proceeded to the new lands taken over by the above company situated on the boundary of SHIMRON COLONY, where a party of colonists were burning the weeds from the lands.

It would appear that the late Supernumerary Constable was examining a new licenced "WALTER" pistol which he had received that morning and that the pistol was accidentally fired killing him.

The report was not noticed at the time by either the colonists or the other Supernumerary Constable on duty as during the recent attacks on Shimron Colony a number of rounds were left lying on the ground and when the fire approached there they exploded so the round fired by the late Supernumerary Constable was not taken any notice of.

As the fire approached the position where the Supernumerary Constable was lying and he did not move his comrade went to see what was wrong and found that he was dead with a wound through his right eye and the pistol lying by his side.

FINDING.

The board are of opinion that the late Supernumerary Constable met his death accidentally that it was :-

- 1) In the execution of his duty.
- 2) Without his own default.
- 3) On account of circumstances directly and specifically attributable to the nature of his duties.
